

Directory Registration

The lipo.com Surgeon's Directory is the most comprehensive independent directory of registered cosmetic and plastic surgery providers online. The directory provides visitors to the site with details of local doctors and clinics who can provide the medical treatment that visitors are actively researching.

Inclusion in the lipo.com database is available only to qualified surgeons and to clinical facilities that are licensed or certified by the relevant health authority, medical council or state board in the area in which they practice.

To pay for your annual directory listing, please click on the following link. You will be taken to our authorised credit card processor, 2CheckOut.com, where you can complete your payment securely: [Payment for Lipo.com Directory Listing](#)
